North Seattle Community College
Cafeteria in the College Center Building

For more information on the upcoming forum or the stakeholders group go online to: www.seattle.gov/dpd/planning/northgate or call (206) 615-1739.

You're Invited...

The Northgate Stakeholders Group, an advisory group to the Mayor and City Council on Northgate revitalization, invites you to a Northgate Community Forum on Thursday, Oct. 20, 2005. Northgate citizens can provide input as the City begins the environmental impact statement for the Northgate Co-ordinated Transportation Investment Plan (CTIP), and will get updates on the Thornton Creek Water Quality Channel and other Northgate projects.

This Community Forum is the official scoping meeting for the CTIP Environmental Impact Statement (EIS) where the public will be asked to comment on possible alternatives, environmental impacts, and mitigation measures to be addressed in this EIS. If you cannot attend, you may also comment by e-mail to: tony.mazzella@seattle.gov or in writing to: Tony Mazzella, City of Seattle, SDOT, PO Box 24996, Suite 3900, Seattle WA, 98124-4996 .

E-mails must be received and written comments must be postmarked by Friday, Nov. 4, 2005. For more information on CTIP visit: www.seattle.gov/transportation/nctip.htm
